Mayberry, Coleman are wed

Mr. and Mrs. Samuel Coleman

The marriage of Carolyn Mayberry to Mr. Samuel Coleman took place on Friday, Oct. 8, at 7 o'clock in the evening at the home of the Rev. Dave Grove in Appomattox.

The bride is the daughter of Mr. and Mrs. B. Rice Moore of Appomattox. The groom is the son of Mr. and Mrs. Floyd Coleman of Spout Spring.

The couple are residing in Appomattox.

APS plans carnival

The Appomattox Primary School is gathering all its witches and goblins together for the annual Halloween Carnival to be held October 23 from 5 until 9 p.m.

All kinds of "ghostly goodies" will be for sale including hot dogs, drinks, chips and a variety of sweets.

In addition to some spooky haunted houses, there will be games with prizes for everyone. A grocery cart will be raffled and also some items of furniture.

There will be cake walks, grab bags and a make-up booth.

There will be two contests for participants through grade 6. Prizes will be awarded to the most original, the funniest, and the scariest costume in the following categories: Pre-school and kindergarten; First and Second grades; Third and Fourth grades; and Fifth and Sixth grades.

Prizes will be awarded for the most original Jack-O-Lantern, the funniest and the most scary.

Admission is just 25 cents so bring your family, join the fun, have dinner and lots of fun at the Appomattox Primary School, Saturday, October 23 from 5 until 9 p.m.

CAPTAIN RAY NOBLE, on behalf of the Appomattox County Rescue Squad received a check for $50 from member of the Meadowlark Homemakers Club. Presenting the check is President Dorothy Stevens. Accompanying her are Lillian Fleshman and Learlene Abbitt.

Elementary PTA to meet

Appomattox Elementary School PTA will hold its first meeting of the 1982-83 school year on October 14, at 7 p.m. Mr. Buster Jackson, the PTA president, will preside.

The agenda includes a discussion of a fund-raising activity, introduction of all personnel at AES, and a "Return To School Night."

Following the business meeting parents will go to their child's homeroom, sit in their child's desk and be the student for approximately 30 minutes. Your teacher will review grade level objectives, involve you in a learning activity, discuss textbooks or a variety of other options. Surprises may be in store.

Your attendance is urged and appreciated by your child's teacher who works very hard to provide a quality education. We need your support.

Young Hearts to meet

The Young Hearts Club will meet on Wednesday, Oct. 27 at 10:30 a.m. at Rocks Baptist Church.

Members are asked to bring lunch and beverages will be furnished by the club. Members are also requested to bring musical instruments.

Members planning to attend are asked to meet at Memorial United Methodist Church at 10 a.m.

UDC to meet

The Appomattox Chapter of the United Daughters of the Confederacy will meet on Thursday, Oct. 21 at Maude's Restaurant.

All members are urged to attend.

Political rally slated at Sweet Briar

The Sweet Briar College Republican Club will host "An Old Fashioned Political Rally" Thursday, October 14, at 7 p.m. in the Wailes Center on the Sweet Brian College campus in Sweet Briar, Va.

The rally will feature Mrs. Rosemary Trible, wife of U.S. Senatorial candidate Paul Trible and a former Sweet Briar College student. The rally will consist of speeches and the announcement of results from mock elections to be held Thursday on various college campuses throughout Virginia. Several Congressional candidates will also be attending.

The Sweet Briar College Republican Club consists of 153 members under the leadership of Co-Chairman Susan Bingham of Appomattox and Juliet Jacobsen of Washington, D. C. The College Republican Clubs of Hampden-Sydney College and Washington and Lee University will be assisting Susan and Juliet with the rally.

Organization for the rally is being sponsored by Mark Obenshain, State Youth Co-ordinator for the Trible campaign. This event is open to the public so please feel free to come and join in the fun. Admission is free.

Hogs are sold

The Ninth Annual Piedmont Market Hog and Trade Show was held on October 9 at the Farmville Livestock Market.

The show, which is open to all Piedmont Pork Producers Association members and area youth under 18 years of age, attracted a crowd of approximately four hundred.

All hogs entered were grown in the seven-county area comprising the "Piedmont" Pork Producers Association. These counties are Appomattox, Amelia, Buckingham, Charlotte, Prince Edward, Fluvanna, Lunenburg, Powhatan, Goochland, Cumberland and Nottoway.

There were two divisions this year: Feeder Pig Show and Market Hog Show.

In the Feeder Pig division, Grand Champion Pen was won by Berkley Jones of New Canton, bought by Mike Clark and Sons at Amelia at $1.75 per pound.

Reserve Champion Pen won by Phil-Lynn Farm, Dillwyn, and bought by Farmville Livestock Market at $1.05 per pound.

All pigs were weighed bought by Southern Tractor and Equipment Co. of Amelia, with a price range of $1.03 to $1.13.

In the Market Hog Show division, Grand Champion Single won by R. S. Ellis, IV of Buckingham and bought by Smithfield Packing Co. at $2.00 per pound.

Reserve Champion Single, won by Dawn Coleman, Powhatan, bought by Farm Credit Office, Farmville at $1.10 pound.

Grand Champion Pair won by Sandy Proffitt, Powhatan and bought by Smithfield Packing Company at .95 per pound.

Reserve Champion Pair won by Dawn Coleman of Powhatan, and bought by First National Bank of Farmville at .75 per pound.

Reserve Youth Division Champion was won by Jason Moler of Amelia and bought by Roanoke City Mills at $2.00 per pound.

Appomattox Assembly to meet

The Appomattox County Assembly will meet in regular session on Thursday night, October 14 at seven o'clock at the Middle School's Annex. Members are urged to be present.

The Assembly's recent fund raising efforts were successful and the Assembly appreciates all those who supported the event, the groups who were participants in the Gospel Festival and those merchants, Wilbun's Supermarket, White's Auto and Pepsi-Cola for their material aid.

USDA announces 1983 Feed Grain Program $60 million more for storage program - There will be a 10 percent average reduction and a 10 percent paid land diversion for the 1983 feed grain program. There will be an additional $60 million allocated to the fiscal 1983 farm storage facility loan program beyond the $40 million originally allocated.

Current law requires the Secretary of Agriculture to announce only a 10 percent acreage reduction and 5 percent paid land diversion program for feed grains. But, with such large supplies Mr. Block has said an additional 5 percent paid diversion would help bring supply more in balance with demand.

The per bushel target prices for 1983 crop feed grains will be: corn, $2.86; sorghum, $2.72; barley, $2.60; and oats, $1.60. Regar Commodity Credit Corporation price support loan rates, per bushel, will be: corn, $2.65; sorghum, $2.52; barley, $2.16; oats, $1.36; and rye, $2.25.

The signup for the 1983 feed grain program began October 1 and will run through March 31. Producers may request 50 percent of their projected 1983 deficiency payments and 50 percent of their diversion payments when they sign up.

USDA estimates per-bushel deficiency payment rates will be: corn, 21 cents; sorghum, 20 cents; and barley, 15 cents. Advance deficiency payments to eligible farmers will be half these rates. Advance deficiency payments are not authorized for oats.

Land diversion payments have been established at $1.50 per bushel for corn and sorghum; $1 for barley and 75 cents for oats. The land diversion payment is based on the per bushel payment rate times the farm yield times the acres diverted.

Farmers who request advance diversion payments at the time they sign up for the 1983 program will receive a payment equal to half the established payment rates.

A producer who accepts an advance payment, but who later does not comply with program provisions, must refund the amount of the advance payment with interest. Interest charged will be the rate in effect for commodity loans on the date of the advance payment, plus 5 percentage points.

To be eligible for these benefits as well as for price support loans, a producer must agree to limit corn, sorghum, oats and barley acreage planted for harvest to not more than 80 percent of the farm's feed grain base.

As under the 1982 program, two bases will be established; one for corn and sorghum, the other for barley and oats.

Producers also must devote to conservation uses an acreage equal to both the acreage reduction and land diversion requirements.

Land designated for conservation use must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm, for which the cropping requirement is for only one of the previous two years. Mechanical harvesting is not authorized and grazing will not be permitted during the six principal growing months on the acreage taken from production, Block said.

The 1983 feed grain bases will remain the same as the 1982 feed grain bases with adjustment for crop rotation. Neither cross compliance nor offsetting compliance will apply to the 1983 feed grain program.

At this time USDA is delaying decisions on the 1983 feed grain reserve program until the domestic and world supply and demand situation is studied.

The additional $60 million for the farm storage facility loan program is necessary because record corn, wheat and soybean crops have created widespread tightness in storage availability.

Some will need re-certification

By JAMES A. SMITH
Extension Agent

There are a number of growers who need to be re-certified prior to January 1, 1983. We will offer re-certification for private applicators Nov. 15 at 1:30 p.m. and 7:30 p.m. and November 16 at 7:30 at the District Extension Office Auditorium.

If there are producers who wish to become certified private applicators and have never qualified, let me know and we'll set up a training session.

* * *

There may be persons in Appomattox County holding commercial pesticide applicator certificates that require re-certification. If so, call our office and we will give location and date re-certification can be received.

* * *

Time is running out to treat cattle for grub control; remember November 1 is the cut-off date.

* * *

Through August, 704 heifers have been calfhood vaccinated. This represents 39% of the estimated replacement dairy and beef heifers in the county.

Seventeen counties have vaccinated a higher percentage of their replacement heifers. Some counties have as many as 65 percent vaccinated. We need to stay on top of this very important health program. The state is paying practicing veterinarians $2.00 per head to get the job done.

* * *

Areas of Virginia have been quarantined because of gypsy moth. Areas include parts of Fairfax, Fauquier, Floyd, Loudon and Lunenburg counties.

There are other areas of the country that are affected by the quarantine.

The quarantine regulates: Christmas trees, nursery stock, logs, pulpwood, firewood, mobile homes, recreational vehicles and other articles designated by an inspector to present a high risk of artificial spread.

Certificates, stating that the articles are apparently free of all gypsy moth life stages, may be issued by federal or state plant pest regulatory officials under certain conditions.

A summary of the quarantine law is available from this office.

Tobacco plant beds need to be treated now - - don't delay this important practice.

* * *

Phostoxin has been cleared for use in controlling groundhogs in orchards and non-crop lands. Early spring (February-March) is the preferred time for treating.

Phostoxin is classified as restricted and proper certification and handling are necessary.

* * *

It's time to fertilize lawns. Use 10-10-10 at the rate of 15 pounds per 1000 square feet.

We've had several calls about mole control. At this time of year, trapping is the best choice.

Soil insecticides are very helpful, but moisture is needed to put the chemical into the soil. Moisture has been lacking this fall. Soil chemicals do not injure the mole but destroy its food supply - - insects.

* * *

Tobacco growers certainly should use the predictive nematode testing program to determine the level of nematode infestation where next year's tobacco will be grown.

Soil sampling kits and instructions are available from this office.

I have just harvested my largest sweet potato crop using a new early season variety called Travis.

I planted 2 rows of potatoes (100 plants) on a 50 feet, 48 inch wide black plastic and harvested 9 bushels of potatoes.

Last spring when Percy Thompson was picking up seed potatoes at the Virginia Crop Improvement Seed Farm, they suggested that he try this new variety.

Travis is a high quality potato and extremely productive. You may want to try some in 1983.

Riley Megginson is retiring from the Lynchburg Tobacco Market after many years of service to tobacco producers. I'm sure his many friends will miss him, but he tells me that there comes a time when one needs to slow down.

The Appomattox Dairymen's Association meets Monday, October 18, 7 p.m. at Maude's Restaurant. Dr. Tom Bibb, Extension Veterinarian, will discuss "Caliform Mastitis". Spouses are invited. Call Richard Krantz or Dennis Torrence by Friday, October 15 with number attending from your farm.

* * *

The Appomattox Cattlemen's Association will hold their fall meeting at Locust Grove Farm (James Ford) Tuesday, October 19, 6:30 p.m. Charcoal steaks will be served. Call John Harrison or The Extension Office by Friday, October 15 for reservations. The fellows tell me they will purchase steaks only for those that call in. All cattlemen are invited. Cost is $4.00. Dr. A. L. "Ike" Eller will discuss "Practical Commercial Herd Improvement."

Spaghetti eat set

A spaghetti supper (all you can eat) will be held on October 22 from 6 to 8 p.m. at the Appomattox Middle School cafeteria. Adults will be charged $2.50 and children, 12 years old and under, will be charged only $1.50.

Enjoy a good spaghetti meal before the football game begins. All proceeds of this supper will go to the Chorale.
